

**STRAWBERRY FIELDS FOREVER**

**FULL SUN OR PARTIAL SHADE**

A simple, short-statured selection that doesn't sweat a little shade.

**Nodding onion**  
*(Allium cernuum)*

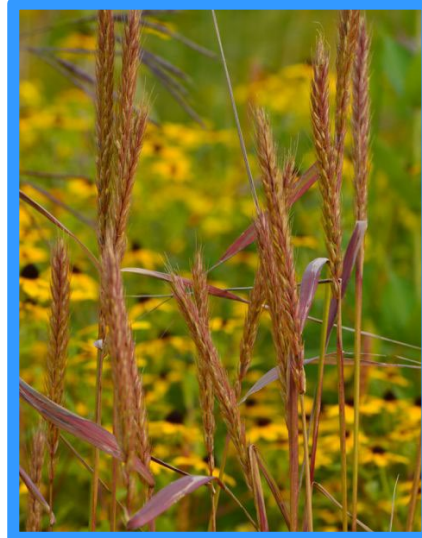

**Common milkweed**  
*(Asclepias syriaca)*

**Wild strawberry**  
*(Fragaria virginiana)*

**New Jersey tea**  
*(Ceanothus americanus)*

**Virginia wild rye**  
*(Elymus virginicus)*

**Common oak sedge**  
*(Carex pennsylvanica)*

- Prefers drier soils**
- Prefers wetter soils**
- Tolerates mid-range conditions**

*This plan may need to be altered slightly due to the availability of plants from local nurseries.*
