Vision

Healthy people. Healthy Places.

Mission

Working with the community to enhance, protect, and promote the health of the environment
and the well-being of all people.

Janel Heinrich, Director

Provides administration, leadership, management, planning, and implementation of public health activities as they relate to health, consumer protection, and environmental protection. Also acts as liaison with other local, state and federal agencies.

Katarina Grande, Public Health Supervisor

Manages public health epidemiology and data science.

OPERATIONS DIVISION

The Operations Division is responsible for developing and monitoring the agency's budget and accounting, providing administrative and clerical support for the agency across offices and clinic sites, coordinating human resources and workforce development, leading media relations, and coordinating strategic planning, accreditation, and quality improvement activities.

Kate Austin, Director of Operations

Division leadership, management, planning and implementation.

Millicent Hutchinson, Budget and Finance Supervisor

Manages all budgeting and accounting functions including development and monitoring of budgets, purchasing, payroll, billing, and contract monitoring.

Melanie Jicha, Administrative Services Supervisor

Manages operations and administrative support for all office locations.

Sarah Mattes, Communications Manager

Develops and implements internal and external communications, oversees quality improvement and performance management activities, and workforce development efforts.

Lourdes Shanjani, Public Health Supervisor

Manages community engagement strategy team and health and racial equity team.

COMMUNITY HEALTH DIVISION

To enhance the health and safety of the families in our community, this Division monitors and works to reduce rates of communicable diseases, provides healthcare services to uninsured/underinsured residents, and supports healthy birth outcomes through home visiting and nutrition assistance programs.

Carl Meyer, Community Health Division Director

Division leadership, planning, and implementation

Stephanie West, Public Health Supervisor

Manages:

- Sexual and Reproductive Health Programming & Clinic
- Well Woman Program

Gabby Aranda-Pino, Public Health Supervisor

Manages Sexual and Reproductive Health Programming & Clinic

Sarah Hughes, Public Health Supervisor

Manages:

- Prenatal Care Coordination
- Nurse-Family Partnership Program

Sara Camacho, Public Health Supervisor

Manages language access and access to care.

ENVIRONMENTAL HEALTH DIVISION

This Division monitors and regulates the surroundings in which people live, learn, work, and play in order to prevent injuries or illnesses from occurring. This includes issuing permits and inspecting businesses, monitoring environmental conditions, and decreasing the number of hazards to which the public are exposed.

Bonnie Armstrong, Director of Environmental Health Division

Division leadership, planning, and implementation

Stefanie Moccero, Environmental Health Supervisor

Manages:

- Licensing and inspection of food establishments/vendors.
- Regulation of lodging facilities and swimming pools.
- Investigation of food and waterborne illness.

John Hausbeck, Environmental Health Supervisor

Manages:

- Animal Services
- Well and Septic Program
- Health and Safety Environmental Risks

Ronesha Strozier, Environmental Health Supervisor

Manages:

- Environmental Health Labs (Tests: water, clinical specimens, hazardous materials/spills, landfill leachate monitoring)
- Water Testing (i.e., drinking, surface and groundwater, swimming pools, beaches)
- Health and Safety Environmental Risks

POLICY, PLANNING & EVALUATION DIVISION

To improve community health and address health inequities, this division collaborates internally, with community partners, and with decision makers to provide information, evaluation, and technical assistance. Some of the ways we do this is through: providing data analysis, supporting program planning and community engagement, and facilitating program evaluation.

Aurielle Smith, Director of Policy, Planning, and Evaluation

Division leadership, planning and implementation. Supervises Emergency Preparedness.

Sandy Bogar, Public Health Supervisor

Manages:

- Evaluation
- Policy
- Community Health Assessment (CHA)/Community Health Improvement Plan (CHIP)
