Vision

To provide the ideal system of parks, natural resources and recreational opportunities which will enhance the quality of life for everyone.

Mission, Goals and Objectives

Our Mission is to provide an exceptional system of safe, accessible, well-planned and maintained parks, facilities, public cemetery, natural areas and public shorelines.

Our Mission is to provide affordable opportunities for recreational and educational experiences.

Our Mission is to preserve and expand our urban forest resources through a well-planned and systematic approach to tree maintenance, planting and natural area management.

Our Mission is to preserve and promote parks' historic legacy.

Our Mission is to provide opportunities for cultural interaction by facilitating community and ethnic festivals and through the display of public art.

Listed below are the names of various section heads and their respective areas of responsibility within the Parks Division. Please feel free to contact these individuals concerning special problems within their areas of responsibility.

Eric Knepp, Superintendent (608) 266-4711
