Project Overview

Project	Athletic Field Improvements	Project #	17235
Citywide Element	Culture and Character	Project Type	Program

Project Description

This program funds the maintenance, restoration, and improvement of athletic fields in the parks system, including those utilized by Madison Ultimate Frisbee Association (MUFA) under an agreement. The goal of the program is to increase accessibility to and utilization of the fields by a broad range of users. Progress will be measured by the number of athletic field users. Funding in 2020 is for field improvements at Warner Park and turf management city-wide.

Project	Beach And Shoreline Improvements	Project #	10605
Citywide Element	Green and Resilient	Project Type	Program

Project Description

This program funds improvements of beaches, shorelines, and public access to the water. The goals of the program are to provide boat launches that are safe and useable, minimize shoreline erosion, and ensure piers that are safe, accessible, and useable. Progress will be measured by revenue generated from lakefront parks. Funding in 2020 is for city-wide shoreline improvements, beach improvements at Warner Park, and paving improvements at Spring Harbor Park.

Project	Brittingham Beach House Renovation	Project #	17159
Citywide Element	Culture and Character	Project Type	Project

Project Description

This project funds continued improvements to Brittingham Park. The goal of the project is to provide a facility that meets current needs as well as flexibility to meet ongoing needs for the future. Progress will be measured by the number of visitors and users at Brittingham Boats (current agreement operator of the beach house). The building has reached the end of its useful life. Funding is for replacing the structure with a more sustainable building providing space for summer camps as well as neighborhood meeting space.

Project Citywide Element **Conservation Park Improvements Green and Resilient** **Project # 17124**
Project Type **Program**

Project Description

This program funds environmental enhancements to the City’s diverse native ecosystems consistent with the adopted Land Management standards for the Parks Division. The goals of the program are to create natural landscapes and open space that are well maintained and accessible to park visitors and to preserve and protect the natural resources of the Madison area through long term focused land management practices. Progress will be measured by the percent of conservation park acreage that meets land management goals. Funding in 2020 is for wayfinding at Cherokee Conservation Park.

Project James Madison Park Improvements **Project #** 17170
Citywide Element Green and Resilient **Project Type** Project

Project Description

This project funds improvements at James Madison Park located in Madison's downtown area. The goal of the project is to improve shoreline, utilization of facilities and other park amenities. Progress will be measured by the percent of the James Madison Park Master Plan and other park infrastructure improvements implemented. Funding in 2020 through 2024 is for tuckpointing and stone preservation at Gates of Heaven, landscaping improvements, and replacing the failing sea wall. Other funding is from lease revenue and the Olin Trust.

Project Land Acquisition **Project #** 17128
Citywide Element Green and Resilient **Project Type** Program

Project Description

This program funds research, appraisals, title work, negotiations, and acquisition of new parkland. All acquisitions will be subject to final approval of the Common Council. The goal of the program is to pursue opportunities to add additional land to the City's park inventory by expanding existing parks or purchasing land in park deficient areas. Progress will be measured by park acreage per 1,000 residents. Funding in 2020 is for potential expansions in the system. Potential North Side Park Land Acquisition added funding via Amendment #9 adopted by the Common Council (\$20,000).

Project Law Park Improvements **Project #** 17362
Citywide Element Culture and Character **Project Type** Project

Project Description

This project funds improvements at Law Park. The goal of the project is to form a master plan including an evaluation of site constraints and the feasibility of multiple options to expand the park footprint to accommodate the potential addition of the Frank Lloyd Wright boathouse. Progress will be measured by the percent completion of the master plan. Funding for Law Park planning was first included in the 2014 CIP as a project in the Planning budget. Funding in 2024 and 2025 is for the coordination of utility changes in the park as part of the future John Nolen-Blair-Williamson-Wilson Street improvements.
