The City is facing a significant shortfall in the 2025 budget that will impact services. The Common Council is holding 5 regional public engagement events in Madison that are the initial set of sessions of expected multiple engagement/outreach opportunities over the course of 2024 in order for alders to educate their constituents on the state of the budget, where their tax dollars go, and to provide a forum to receive feedback on what constituents care about. This is an in-person opportunity to discuss the budget, learn more about the services the City provides, and share your thoughts with elected officials.

The Eastside Budget Engagement Event will take place on Wednesday, May 1, 2024, from 6:30 to 8:30 pm at John F. Kennedy Elementary School at 221 Meadowlark Drive. Alders involved include Alder Derek Field (District 3), Alder Dina Nina Martinez-Rutherford (District 15), Alder Jael Currie (District 16), and Alder Sabrina Madison (District 17). A possible quorum of the Common Council may exist at this event.
